New to the Market

1995 Beechcraft Baron 58

Corporate Owned & Corporate Maintained

Corporate Concepts International, Inc. is pleased to announce the premarket release of this exceptional 1995 Beechcraft Baron 58 to the market. This Baron 58 combines horsepower with the peace-of-mind of twin-engine redundancy and ease of flying, for which the Baron 58 is known. This Baron 58 with seating for six, with large cargo doors for ease of loading with two separate baggage compartments. Our Baron 58 offers the ultimate in safety, efficiency and enjoyment of all the light twin-engine aircraft. Most significantly this Baron 58's structural integrity is the result of being operated by a mature, professional flight department. More information and photos is available at www.flycci.com or call to arrange a private showing and demonstration flight.

Tan leather seating in an executive club seating arrangement with pull-out executive tables compliments the attractive white exterior paint with green and gold accent stripes.
