

Corporate Concepts International, Inc.

Pre-Market Release – Available Soon

Falcon 900EX EASy II

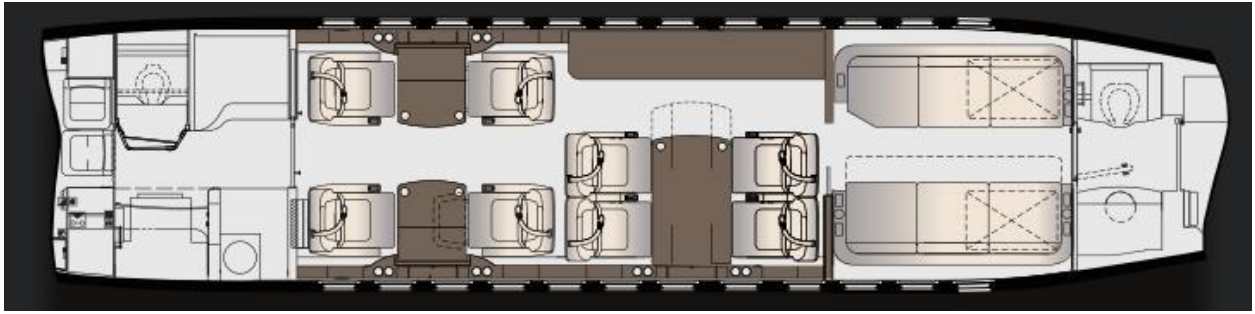

Corporate Concepts International, Inc is pleased to announce and offer this 2010 Falcon 900EX EASy to the market. The Falcon 900 series stands alone in its class for performance, reliability, comfort and efficiency. This Falcon 900EX EASy avionics suite includes the EASy II, FANS-1/A, ADS-B and TCAS 7.1 upgrades. The fourteen passenger interior is equipped with forward and aft lavatories and for passenger connectivity includes worldwide broadband Wi-Fi and a Tailwinds 500 satellite TV system. The engines and APU are enrolled in Honeywell's MSP program and the aircraft is enrolled in the FalconCare program. This 2010 Falcon 900EX EASy is the latest year model and highest serial number available in the market today. Visit our website – www.flycci.com – for more information and photos on this Falcon 900EX EASy II or contact us to schedule a private showing. Long term leasing can be considered.

The cabin of this Falcon 900EX EASy is configured for fourteen passengers with a four-place club grouping in the forward cabin, a four-place conference group opposite a credenza in the center cabin, and two three-place berthable divans opposite of each other in the aft part of the cabin. The executive cabin is completed by a forward full service galley and both forward and aft lavatories. Entertainment for the cabin is provided by a satellite TV system, dual DVD/CD players, external A/V inputs, eight plug-in individual monitors and four large screen monitors.
