

AIRCRAFT SEARCH AND ACQUISITION SERVICES

Our Experience is the DIFFERENCE !

"In your initial proposal, you mentioned that CCI's experience will make a difference, and that difference was substantial... I assure you, before we consider another aircraft, CCI will be the first call I make..." - Letter from a CCI client

Since 1978, established flight departments as well as first time buyers have experienced the difference CCI's diverse technical skills, market knowledge, and aircraft acquisition experience makes when purchasing or completing a new or previously owned aircraft. CCI's team of experienced professionals provides these comprehensive services on a daily basis to our clients with integrity and dedication. For almost thirty years, CCI has saved our clients money and time by assisting them in evaluating and locating the right aircraft for their flight needs and managing their aircraft acquisition process from start to finish. Our "Client Successes" at www.flycci.com details what some of CCI's clients have to say about their experience with our services. We offer each client a 100% Performance Guarantee to ensure your total satisfaction with the results of our services. Our wide scope of services covers all aspects of the aircraft acquisition process and allows you to select those which match your objectives:

- **Aircraft Search and Selection**
- **Aircraft Technical Evaluation**
- **Contracting and Negotiations**
- **Financing/Leasing Alternatives**
- **Refurbishing and New Completion Management**
- **Pre-purchase Inspection Management**
- **Final Acceptance and Delivery**

We invite you to contact us to determine how CCI can be of service to you. Any time we can provide market information or answer your questions about market trends, aircraft availability or values, please contact Dennis Blackburn, President of CCI at (281) 359-8070 or email CCI at blackburncci@aol.com.
