

Corporate Concepts International, Inc

2015 Cirrus SR-22 GTS

Serial Number 4184

The Cirrus SR-22 has been the world's best-selling general aviation aircraft for the past 15 years. The SR-22 was engineered to give you the freedom to go where you want, when you want and to do it with performance and style in one of the most advanced technologically innovative aircraft available. This SR-22 is equipped with the GTS package incorporating all of the most popular options including being certified for flight into known icing conditions. This aircraft only has approximately 350 hours since and the motivated owner is offering this SR-22 for sale at a below retail book price for an immediate delivery. Call us or see www.flycci.com for additional information or to schedule a viewing.

The Aircraft Bluebook is designed and developed as a service for the purchasers thereof to assist them in arriving at the fair market value of aircraft listed herein, but is intended only as a guide and is not to be considered to reflect all factors involved in the appraisal process of any particular aircraft. All prices in the Digest are considered a representative average.

Drawings are for general reference only and may not incorporate minor differences between year models.

The information herein is prepared from many sources, is edited, and believed to be correct. The publishers do not warrant the accuracy of the source material and assume no responsibility to any person or persons in connection with the use of this guide. In case of error or omission, the liability of the company, if any, is limited and many not, in any event, exceed the amount paid for the service during the period covered by the guide in which the error or omission occurred.
