

Corporate Concepts International, Inc

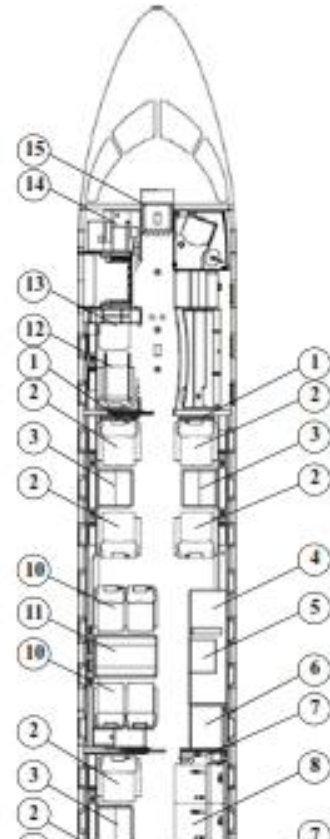

2014 Global 6000

**For Sale – Lease Possible
Some Trades Considered**

Corporate Concepts International, Inc. presents this Global 6000 for sale. The Global 6000 was designed for and provides the latest state of the art design into an ultra-long range platform that is sure to give the service and reliability that today's discerning business executive is looking for. This Global 6000 offers seating for 12 passengers with forward and aft lavatories. The forward galley along with a crew rest area insures the privacy of the passengers on long flight. Additionally this Global 6000 is fully EASA Ops qualified. The engines are enrolled and fully funded in the JSSI Platinum program and the airframe is enrolled in Smart Parts. Call us today to schedule an appointment to see the aircraft and take advantage of exceptional opportunity to have a like new aircraft at a preowned aircraft value.

The VIP executive interior of this Global 6000 features seating for twelve passengers. The spacious, wide body cabin is configured with a four-place VIP club arrangement with fold-out tables in the forward cabin, a four-place conference group with executive table opposite a credenza with a kibitzer seat at the mid cabin and a two-place VIP club arrangement opposite a berthable divan in the aft cabin. This aft area makes into a private stateroom for sleeping and privacy. An additional private area in the forward cabin entry area has a single seat with fold out table that also serves as a VIP office or crew rest area. This aircraft is equipped with forward and aft lavatories and a forward full service galley. Cabin entertainment includes three large flat screen monitors, individual 10.4-inch monitors, an Airshow system, dual DVD/Blu-Ray players and a satellite TV system.
