Exceptional Value

Learjet 45

Serial Number 45-011

This Lear 45 has just been placed on the market for sale and represents the best value available in the highly desirable Lear 45 market. Our Lear 45 is offered for sale at \$1,995,000 USD. Some trades can be considered and leasing or financing is also available. The cabin seats in S/N 011 were refurbished in 2016 and the aircraft is equipped with the AirCell GoGo internet system. The Lear 45 can perform faster, higher and farther with more passengers and range flexibility than other aircraft in its class. Its unique combination of agility, aesthetics and performance gives you the ultimate freedom to travel where you want, when you want, and enjoy very low operating costs. The engines and APU are enrolled in Honeywell's MSP program. Visit our website – www.flycci.com – for more information and photos on this Lear 45 or contact us to schedule a private showing.

The cabin of this Lear 45 is configured for nine passengers with a four-place club grouping in the center cabin, two forward facing seats in the aft of the cabin and two forward facing seats in forward part of the cabin. A single side facing seat opposite the cabin entry door provides the ninth passenger seat. A lavatory is located in the rear of the aircraft and a refreshment center is located in the forward section of the cabin opposite the cabin entry door complete the executive interior.
