2016 Legacy 500

Pre-Market Announcement – For Sale or Lease

The Legacy 500 is the first midsize jet with digital flight controls with full fly-by-wire and a clean-sheet design. Setting benchmarks in performance as well as passenger room and comfort. The Legacy 500 is the fastest jet in its class, delivering a high-speed cruise of Mach 0.82 with excellent runway performance and US coast-to-coast

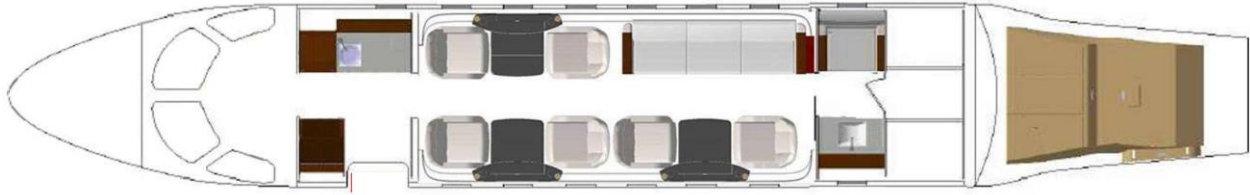

range with up to eight passengers. The large, open cabin is six-foot tall, the largest in its class. Call to schedule a private showing of this exceptional Legacy 500.

This aircraft is configured for ten passengers with a four-place executive club group in the forward cabin and a two-place club group opposite a three-place divan in the aft cabin. An optionally belted aft lavatory seat provided the space for the ninth passenger. Cabin entertainment is provided by the Honeywell Ovation cabin management system. A fully equipped forward galley complete the VIP executive interior.
