2017 Cirrus SR22T GTS (G6)

New Reduced Price – 100% Bonus Depreciation Available

The Cirrus SR-22 series has been the world's best-selling general aviation aircraft since 2003. We are pleased to offer for sale a premium SR-22 with an impeccable pedigree and exceptional care. The SR-22 was engineered to give you the freedom to go where you want, when you want and to do it with performance and style in one of the most advanced technologically innovative aircraft available. This Generation 6 SR22T is equipped with the GTS package incorporating all of the most popular options including being certified for flight into known icing conditions and factory air conditioning. This exceptionally well-maintained and professionally managed SR22T has less than 850 hours since new, a fresh annual inspection and the motivated owner is offering this SR22T for sale, ready for immediate delivery. Call us or see www.flycci.com for additional information on new pricing or to schedule a viewing. Some trades can be considered. Owner financing possible for financially qualified buyers.
