

2017 Embraer Legacy 450

"Experience why the Legacy 450 is an industry leader in mid-size jet design, speed, range, and comfort, and available now at an exceptional price."

File Photo

This Legacy 450 is offered for sale, for lease and some trades could be considered. Following a long legacy of new, world-class executive jet designs, the Legacy 450 is a new generation, technologically advanced design and a leader in the midsize jet market. This Legacy 450 offers superb cruise speeds, true transcontinental range, and a comfortable cabin altitude all at an attractive price.

When on board, you will have all the comforts and advantages the Legacy 450 offers and the peace of mind of the 450's HEPA filters that remove 99% of the bacteria from the cabin air.

This Legacy 450 is currently having a door repair accomplished at West Star Aviation, a leading Embraer approved service center. The work is designed to make this Legacy 450 like new - that is "old part off, new part on." Every component used to install the new door is factory new. No additional seams in any skins, no expense spared, and this Legacy 450 comes with the promise, warranty and confidence of West Star Aviation. New paint is also an added value offered with this Legacy 450, which can be a custom designed and, in the colors, selected by a new owner. This premium midsize, new generation Embraer jet has engines enrolled in Honeywell's MSP program and the airframe is on Embraer Executive Care. The price of this Legacy 450 will be reflective of the repair in progress and is expected to be fully returned to service in the third quarter of 2023. This is an exceptional value and opportunity for the buyer seeking the leading midsize jet at an equally attractive price and you can have this Legacy 450 modified to be a Praetor 500 at \$4,000,000+ less than a new Praetor 500.

Here is what you get in this Legacy 450 offers –

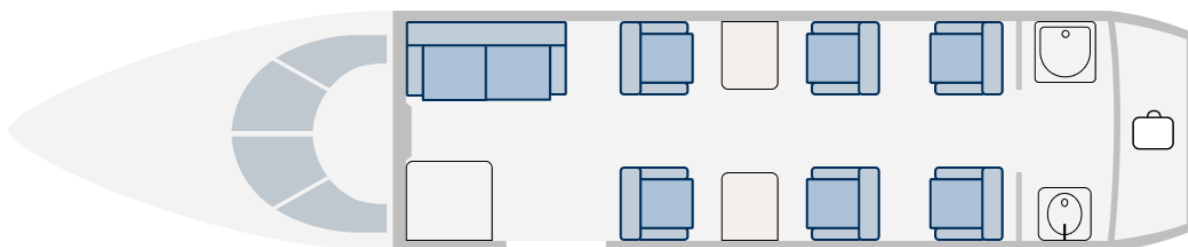

Collins Proline Fusion Avionics suite including -

Dual Collins Transponders
Dual Collins Nav receivers
Collins EGPWS
L3 Communications FDR

Triple Collins VHF comm radios
Dual Collins GPS receivers
Collins TCAS-II w/ 7.1 software
L3 Communications CVR

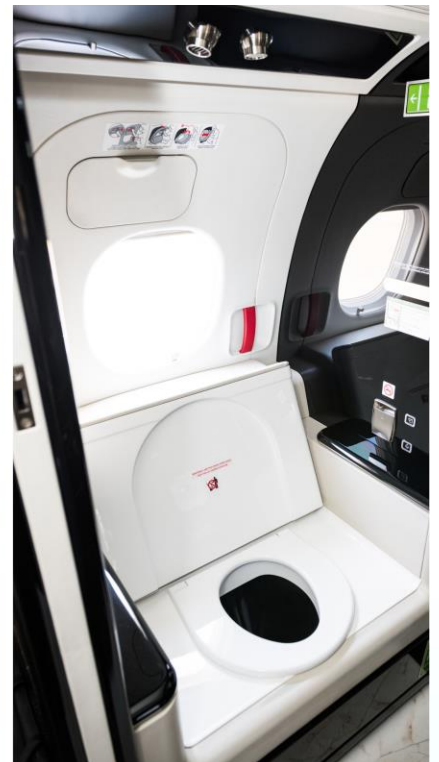

The elegant interior offers VIP seating for nine passengers with a four-place club grouping in the mid-cabin, two forward facing seats in the aft cabin and a two-place divan in the forward section. A refreshment center in the forward cabin with microwave and coffee maker and a belted rear lavatory complete the executive interior.

Lavatory –

This Embraer Legacy 450 will be delivered from West Star Aviation with 12/24/36-month inspections completed. Here is the advantageous inspection status –

| | Date C/W | Due |
|--------------------------|------------------------|---------|
| 12- month Inspection | <i>To Be Completed</i> | |
| 24-month Inspection | <i>To Be Completed</i> | |
| 36-month Inspection | <i>To Be Completed</i> | |
| 60-Month Inspection | 09/2022 | 09/2027 |
| 120-Month Inspection | 06/2017 | 06/2027 |
| Landing Gear Restoration | 06/2017 | 06/2027 |

This is a unique opportunity to acquire a Legacy 450 with recently completed major inspections, engines enrolled and fully funded on Honeywell's MSP program, airframe enrolled on Embraer's Executive Care program and in the new paint to the buyer's design and color preferences.
