***World Class Executive Eurocopter AS350B-3
Fresh 12-year inspection***

CORPORATE CONCEPTS INTERNATIONAL, INC.

This Exceptional Eurocopter (Airbus) AS350B-3 is available for immediate inspection and sale. The helicopter's pedigree is second to none in the market. The helicopter has been maintained to the highest of industry standards and used for family executive travel and VIP guests to and from a leading resort. The 12-year inspection has just been completed. Additional photos and information available upon request.

CORPORATE CONCEPTS INTERNATIONAL, INC.

This 2011 AS350B-3 has logged only 1,598 hours, all under extremely professional and meticulous operations. The helicopter is current on a FAA Part 135 certificate. The review of the maintenance records confirm the high industry standards and care this AS350B-3 has received. The records demonstrate excellent continuity and confirm no known damage history.

The Executive interior offers four seats in the aft cabin with each seat having its own noise cancelling headset interfaced to an intercom system for comfort and communication with your other guests. Up front there is the pilot's seat with dual controls with one set of controls that is removable to allow for one additional passenger to sit in the front seat, for a total of five (5) passengers and a pilot. This executive helicopter is equipped with air conditioning for a "cool" ride on the hottest summer day.

The avionics are certified for VFR operation, with VFR instrumentation and additional avionics to qualify this AS350-B3 for IFR instruction. If flight is required to be operated under IFR conditions and rules, additional avionics can be added. The Garmin avionics suite is equipped with ADS-B and includes a G-500H Dual EFIS display with synthetic vision and chartview accompanied by a GMA-347H audio panel, a GNS-430AW GPS/Nav/Comm with WAAS, a SL-30 Nav/Comm, a GTX-328 transponder and GDL-69 datalink.

CORPORATE CONCEPTS INTERNATIONAL, INC.

The helicopter is equipped with a highly reliable Turbomeca Arriel 2B1 engine. The AS350B-3 model is known worldwide for its superior reliability, and unmatched strong and safe performance at hot and high altitudes. Unquestionably the AS350B-3 is the industry leader for operations at high altitudes and hot temperatures.

This is a helicopter you must see and ride in to appreciate. Upon request, private showings and demonstrations can be arranged at the helicopter's home base in Colorado.

If your objectives require a helicopter with superb performance, proven reliability and safety, pristine condition and 100% ready to go into service, give us a call to schedule a private showing and firsthand experience of the best Eurocopter AS350B-3 available for sale.
