File Photo

This unadvertised Gulfstream G550 provides the ultimate opportunity to acquire a G550 with the new aircraft feel of its fully upgraded passenger features and extraordinary comfort. The new, designer inspired interior was completed in the last 60 days with all new soft goods tip-to-tail. Other new generation cabin upgrades include color changing, mood enhancing LED cabin lights and Ka-Band high speed internet. You will appreciate and enjoy this Gulfstream G550's exceptional performance, safety and passenger comfort whether flying across the country or crossing the ocean. Passengers will enjoy and appreciate the recently refurbished interior that offers a forward galley, forward and aft lavatories and new generation passenger conveniences like Apple TV. Our G550 is current on a FAR Part 135 certificate for charter with crew rest and can be dispatched with up to 16 passengers. This G550 is equipped with Gulfstream's PlaneView avionics suite, an Enhanced Vision System (EVS), an upgraded, new generation DPI cabin management system with HD monitors and an Alto 10.1 surround sound system, and the latest high-speed Ka-band internet system to keep passengers connected anywhere in the world. The 192-month inspection was recently completed in November 2022.
