CORPORATE CONCEPTS INTERNATIONAL, INC.

Corporate Concepts is pleased to offer this ultra-large cabin VIP McDonnell Douglas MD-87. The spacious cabin in VIP configuration offers seating for nineteen passengers in executive style and comfort. With a range of 4,300 miles the large, quiet private spaces are complemented by a private stateroom so you arrive at your destination rested and relaxed. The private spaces allow for private meetings or space and comfort to rest before your arrival. This VIP MD-87 will be delivered airworthy with fresh major C-1 through C-6 and C-8 inspections, a fresh landing gear overhaul in 2024, on the U.S. registry, and painted all white. The major inspections to be accomplished requires the removal of the interior and the seller will refurbish the interior prior to reinstalling the interior to buyer's specification of materials. The current interior is in excellent condition as is. The refurbished interior to the buyer's preference will be priced at seller's wholesale cost of refurbishment. We welcome inquiries from serious and financially qualified buyers regarding this VIP McDonnell Douglas MD-87. Some trades can be considered.
